COMMUNICATION - RE NOTICE OF ALLOWABILITY AND DRAWING

Sir:

The Notice of Allowability dated Feb. 6, 2004 for the application identified above indicates that corrected drawings are still required. However, Applicant submitted a drawing amendment on Feb. 6, 2004, which should address the Examiner's objections to the drawings. Applicant believes that the Notice of Allowability and Applicant's drawing amendment crossed in the mail.

Submitted herewith is another copy of the drawing amendment submitted Feb. 6, 2004, and a copy of the return postcard received from the Patent Office in relation to this matter. Applicant believes that no further amendments are required to this application prior to issuance.

Applicant respectfully requests acknowledgment from the Patent Office that the drawing amendment submitted Feb. 6, 2004 was accepted and entered by the Examiner, and acknowledgment that no further amendments are required to this application prior to issuance of this application.
